Dear Chris:

I am delighted to provide this letter of support for the Good Deed Foundation on behalf of the Arizona Foundation for Women. The Arizona Foundation for Women is dedicated to addressing the unmet needs of Arizona's women and children and through our work, has made a difference in the lives of thousands of women and children.

We are excited to be a part of this innovative and creative initiative, and believe it has the potential to generate substantial revenue through the sale of Good Deed products to benefit women, children, education and the environment. We believe the Good Deed brand can attract a large and loyal following, based on the goals of the initiative, the Good Deed Foundation's partnership with the Women's Funding Network, and the quality, variety and pricing of the planned product line.

We intend to encourage and enlist our members and other supporters to purchase Good Deed products.

Sincerely,

A handwritten signature in cursive script, appearing to read "Nancy A. Dean".
