To Whom It May Concern:

I am delighted to provide this letter of support for the Good Deed Foundation on behalf of the American Society for Muslim Advancement. The ASMA Society represents 10,000 members and their own local constituencies. We are excited to be part of this innovative and creative initiative, and believe it has the potential to generate substantial revenue through the sale of Good Deed products to benefit women, children, education and the environment. We believe the Good Deed brand can attract a large and loyal following, based on the goals of the initiative, the Good Deed Foundation's partnership with the Women's Funding Network, and the quality, variety and pricing of the planned product line.

We intend to encourage and enlist our members and other supporters to purchase Good Deed products.

In addition, the ASMA Society intends to reach out to the following organizations: Bnai Jeshuran Synagogue, Riverside Church in NYC, St. Bartholomew's church, Islamic Center of Long Island with whom we collaborate, to further build the grass roots support that will make the Good Deed project a success:

Sincerely,

Daisy Khan
